The **Alvin Garden Menu** is a celebration of authentic Hunan-style dishes, designed for those who crave bold spices, fragrant stir-fries, and soul-warming soups that bring both heat and depth to every bite. It's not just a meal here-it's an adventure for your taste buds, packed with textures and flavors that reflect the essence of Southern China.

One of the undeniable stars of the **Alvin Garden Menu** is the **Steamed Fresh Tilapia With Chopped Chili**. Served sizzling and aromatic, this dish perfectly captures Hunan's love affair with spice and freshness. The tilapia, tender and flaky, is blanketed with a generous layer of chopped red chili and garlic, creating a flavor that's both fiery and addictive. For seafood lovers, the **Signature Sour Soup Snakehead Fish** is a must-try-its tangy broth balanced with rich, spicy undertones creates a comfortingly complex flavor that lingers long after the meal is done. Another crowd favorite, **Hunan-Style Spicy Stir-Fried Chicken**, showcases the classic combination of diced chicken, dried chili, and green onions-crispy, fragrant, and full of life.

If you're drawn to the sizzle of a grill, **Xiangyuan's Special Hunan-Style Grilled Fish** is a feast for the senses. The fish is marinated, grilled to perfection, and then soaked in a bubbling spicy sauce that infuses every bite with a punch of garlic and chili. Alongside it, dishes like **Sweet and Sour Crispy Pork** offer a comforting contrast, combining crunch and tang in a way that keeps you reaching for more.

The **Cold Dish Series** at Alvin Garden provides the perfect refreshing balance to the heat of the mains. Start with **Cold Spicy Chicken**, which combines tender chicken with a zesty chili oil that awakens the palate. The **Spicy Mixed Cauliflower** and **Mashed Eggplant With Garlic Sauce** are beautifully textured and seasoned, offering earthy and savory notes that complement the bolder entrees. **Hunan Pickled Vegetables** and **Sour and Spicy Juegen Noodles** add that unmistakable fermented tang that Hunan cuisine is famous for, each bite both crisp and deeply flavorful.

Vegetable dishes play an equally important role on the **Alvin Garden Menu**, making sure even the simplest ingredients shine. The **Stir-Fried Napa Cabbage With Chili & Garlic** delivers freshness with a smoky edge, while **Stir-Fried Broccoli** is clean and crunchy. The **Eggplant With Minced Meat**-available in braised, Yu-Shiang, or sour and spicy styles-embodies the comfort of home-cooked Chinese food. And for those who love bold, aromatic flavors, the **Dry Pot Cabbage** and **Dry Pot Cauliflower** bring a sizzling, spicy aroma that turns vegetables into stars of the show.

Seafood fans will find plenty to love, from **Stir-Fried Shrimp Balls With Celery** to **Poached Fish Fillet in Spicy Broth**, where delicate fish slices swim in a deep, fiery soup. The **Spicy Perilla Fish** adds a unique herbal twist, while **Steamed Tilapia With Spicy Chili** offers that perfect harmony of freshness and heat.

For chicken lovers, the selection is equally impressive. **Crispy Spicy Chicken Cubes** deliver an addictive crunch with bursts of dried chili, while **Dry-Fried Spicy Chicken With Chili Peppers** is a masterclass in wok technique. The **Dry Pot Chicken With Pork Intestines** introduces an authentic rustic flavor, smoky and full-bodied. For something more down-to-earth, **Country-Style Fried Chicken With Green Chili** brings together tender chicken and the sharp heat of fresh green peppers in a dish that's as comforting as it is exhilarating.
